

Week of April 3rd

What have I worked on?

We are currently doing the micro analysis of the data.

What will I be working on next?

Quang - Analysis the poor conditions in relation to the areas of importance

Akarvin - Continue to identify the important transit stops and schools with poor ramp scores

Pranesh - Link population to ramps

Anargh - Create a combined ramp score

Have I run into any issues? Do I need help?

No.

Team Lead: Have I talked to the client recently? When are we meeting with them next?

No. We will meet him next week.
