

Week of Mar 13th

What have I worked on?

We are currently working on the new dataset received from the client and the public dataset relevant to our project.

What will I be working on next?

Quang- 311 dataset

Akarvin- Demographics

Anargh- Ramps_score.csv

Pranesh - Public active zone work

Have I run into any issues? Do I need help?

We faced issues in the inconsistency of the format of the latitude and longitude coordinate data.

Team Lead: Have I talked to the client recently? When are we meeting with them next?

Yes, we met with the client on Thursday and clarified some of our questions with him.
