

# Week of Feb 20th

## What have I worked on?

We had our first full team meeting, look through the datasets and shapefiles provided by the client and then decide who will work on what datasets over the weekend. Our top priority for next week is to complete Deliverable 1.

## What will I be working on next?

- Quang
  - Roadway\_Centerline
- Akarvin
  - Sidewalks\_3
- Anargh
  - Sidewalk\_Hazards\_1
- Pranesh
  - Ramps\_0

## Have I run into any issues? Do I need help?

We had some issue figuring out the best time for week meetings but managed to sort it out.

## Team Lead: Have I talked to the client recently? When are we meeting with them next?

We had the weekly meeting with the PM. We will update the PM on Monday about whether we have collect sufficient preliminary data by then to set up another meeting with the client.
